American Coding and Marking Ink Co.

INCORPORATED

QUALITY ACMI INKS

Certificate of Compliance

Reference: ACMI #6600
Military or Federal Specification: CID A-A-56032D
Type I, Type II & Type III
Formerly: MIL-I-43553b

Date:

LOT #	MFG DATE	QUANTITY	DESCRIPTION	EXP. DATE
		3 x quart	ACMI #6600 Yellow	

This is to certify that the above mentioned ink, when properly cured, meets the performance requirements of the cured ink in the specification.

This ink is a one component system and therefore does not meet the composition, pot life, and curing schedule requirements as specified.

Objective evidence substantiating specification compliance is available upon request.
